

Beginner Fall Social Skills Groups

The Sutcliffe Clinic is offering Social Skills Friendship Groups for the 2023/2024 school year. Groups will be learning about skills to enhance and establish friendships, and to work on behavior expected in a group setting. We will include a variety of activities in a format that teaches flexibility, independence, and cooperation. Individual goals will focus on each learner's present skill level.

We will practice the following:

- Social-Emotional Awareness
- Facilitated Play
- Expressive and Receptive Communication Skills
- Regulation
